Foreword

Venture with us as before our eyes unfolds a vista of golden memories which have gilded the way to this, our senior year.

We cannot look into the future, unfortunately, but can only review our past. This is the last phase of our past before the most glorious moment of our young lives, our graduation.

Review with us these accomplishments and share with us the activities which will be embedded as lasting impressions in our minds. These have been pleasant years, may they always be pleasant memories also.

Dedication

We, the members of the Journalism Class, dedicate the 1959 edition of the Alleghanian to the memory of Mr. Lee L. Pendleton who passed away on December 5, 1958.

Mr. Pendleton was president of the West Allegheny Joint School Board since its inception eleven years ago. Through its first and occasionally stormy decade he was a steadying influence in the policies of the school districts.

Mr. Pendleton, a citizen of Oakdale, was also a member of the American Legion, a former member of the Allegheny County School Board, and one-time elder of the Presbyterian Church.

For his contributions to the school and to the community, we, the staff, feel highly honored to perpetuate thusly the memory of Mr. Lee L. Pendleton.

A Backward Glance at '58-'59

To peer into the future and preview the coming events of our times is impossible. But we can look at the past. We attempt looking backwards now at our last year in West Allegheny High School. The year 1959 was a memorable one and to us, the class of '59, especially so. We will always cherish the wonderful memories and the excellent times we have spent here. With this book we hope to review the memories from time to time for even the fondest recollections become slightly faded and obliterated through the years.

- 2 School opens, the seniors begin their final year.
- 8 Voting for class officers - Fred Drugmand is elected senior class leader.
- 11 Magazine campaign - The campaign starts off with a bang. Paul Kowal is awarded a watch for being the best salesman.
- 12 First football game. The season starts off on the wrong foot with a 41-0 shellacking by Montour.
- 19 The home opener is spoiled by a 26-0 loss to Crafton.
- 24 Student Council Election - After two days of high spirited campaigning, Don Stewart wins the election of President. Runner-up, Pat Smith becomes Vice President.
- Oct. 9 Teachers Institute - After six long weeks of school we have our first vacation, At Last!
- 10 school we have our first vacation, At Last!
- 13 Senior class play tryouts - Miss Stewart makes last call for actors and actresses. Senior pictures - "Say Cheese," is heard through the halls as Vic Polk took the senior pictures.
- Nov. 5 Report cards distributed - A sad day for some, a surprising one for others.
- 7 Our final football game ends with a victory. Indians beat Quaker Valley 20-14. Season ends gloriously after a slow start.
- 14 Students chose Bill Burns as Mr. Touchdown for 1958 in Al-Lites poll.
- 21 Senior Class Play - "The Sunshine Twins" - The play isn't a Broadway Hit, but opening nite at W.A. is just as thrilling.
- 26 Soph Hop - "Winter Dream Land" - The The Sophs are in dream land and the seniors begin to realize that the time is drawing nearer.
- 27 Thanksgiving Vacation - A rest from the daily schedule and also a chance for some to do their Christmas shopping.
- Dec. 2 First Basketball game - The year is really really slipping by. The Indians are off to a bad start as they lose to McDonald 76-45.
- 18 Christmas Band-Chorus Concert - The spirit of Christmas fills the air as the band and Chorus put on a usually splendid performance in this annual event.
- 19 First Wrestling Match - The Grapplers make it unanimous for sports fans. They also lose their first outing to Kitanning.
- 23 Christmas Vacation - The students look forward to having two weeks of rest and dream of food, more food, indigestion.

PROM

PARADISE OF
THE DEEP

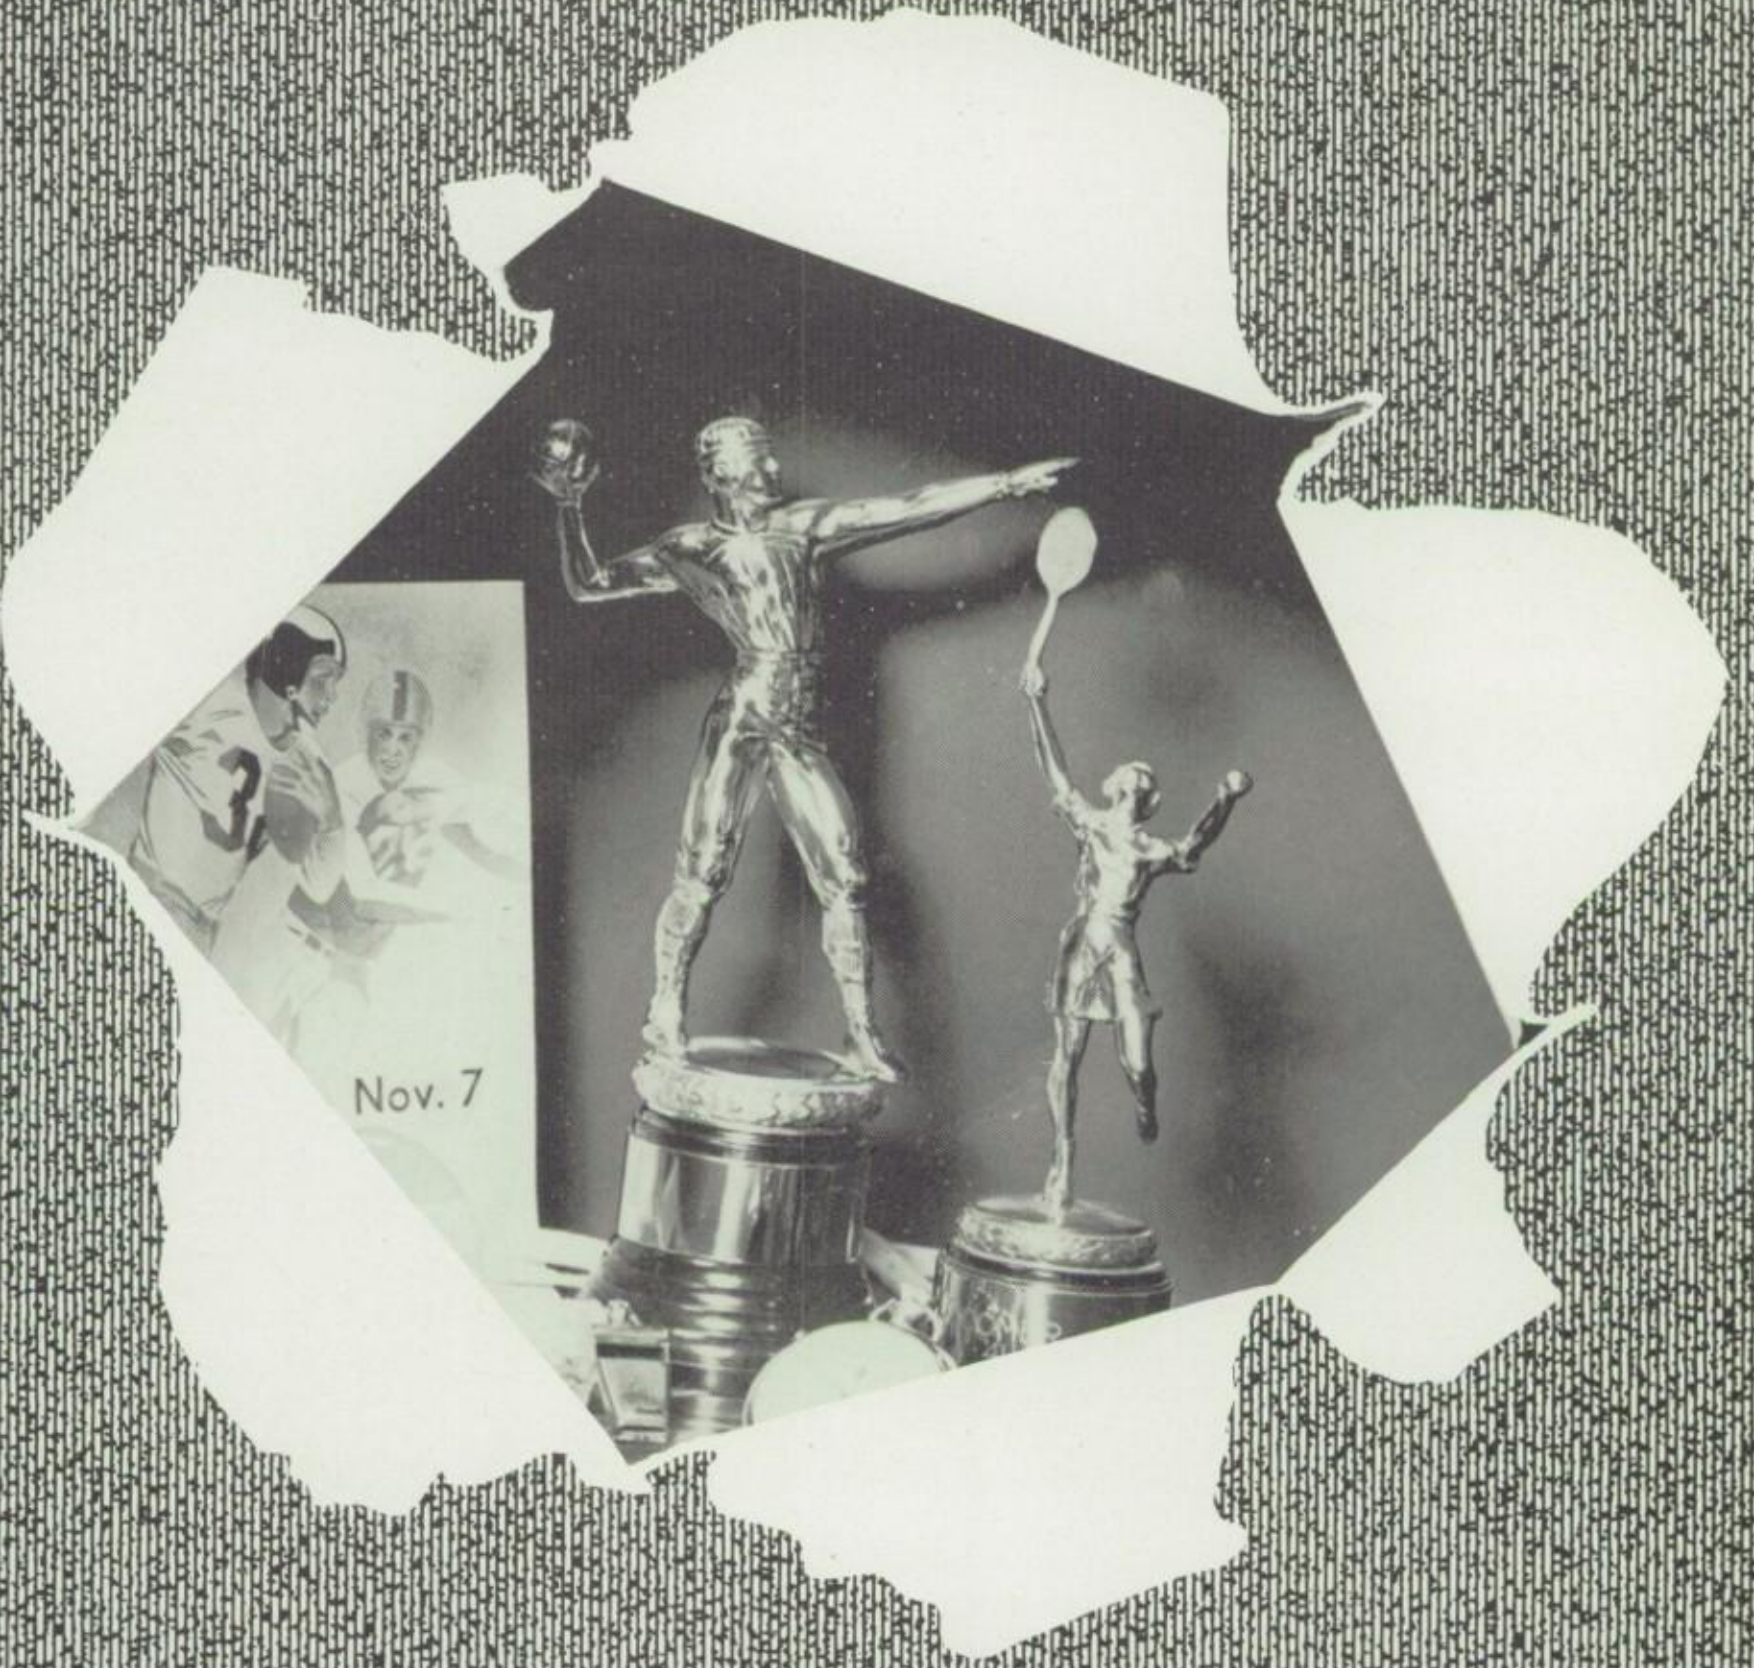

Tired but happy! Just look at our "Paradise in the Deep." Anticipation swells our thoughts. Pose for the Camera! Voices buzz as the King and Queen are crowned for the year. Time out for refreshments. Strains of music set our feet awirling. At last we eat! Thanks to the Cafeteria ladies. Our voices bubble with happiness as the evening comes to a close.

Football

The W. A. Indians started the 1958 football season off on the wrong foot by losing to the Montour Spartans 41 - 0 at the Spartan's gridiron. Montour went all the way to win the Class "B" Championship.

The home opener saw the second setback for the Indians as an experienced Crafton team rolled to a 26 - 0 victory.

An improved W. A. team fought McKees Rocks to a scoreless tie in a great defensive battle at the Rocks.

The Indians bowed to a very strong Carnegie team by a score of 31 - 16 in the seventh game of the season. It was the Indians fifth setback of the season.

A highly rated Stowe team was trampled by a strong Indian team 18 - 7 before a poor home crowd.

Bill Burns led the attack by making all three touchdowns.

Quaker Valley went down before a powerful Indian team by the score of 20 - 14 in the Indians final and probably best game of the year with Carl Puskar leading the Indian attack.

The finally favored Indians came through to romp over the Midway Bluedevils 25 - 0 at home. This was the first of three wins.

The W. A. Indians lost a tough game 20 - 6 to Moon with the Indians out playing the Moon Grid-ders in every department of the game except the scoring. This gave the Indians their third loss.

Corapolis Blue Devils downed the Indians 12 - 0 for the Indians fourth loss of the season. It was a game dependent on breaks with the breaks going to Cory.

Don't just sit, cheer!
What's all of the confusion?
Ball on the loose.
Jump a little higher.
Oh, well, defeat, maybe
next time.

Don't "dance" with the ball,
Jim, put it in.
Come, Jim, you aren't "box-
ing."
Let's do something, Tom.
How about a little help, boys!!
Stop that ball.
Anybody's ball.

HI, NEIGHBORS!

We want to thank you for welcoming us to your community and to tell you how much we enjoy being here. We like the fresh air, the pleasant views, the ease of parking. . . but most of all we like the people who are our neighbors.

Hagan has always been proud of its reputation of being the kind of a place where people like to work, and now, with our new building and our new location, working at Hagan will be better than ever.

Again, our thanks for your warm and friendly welcome. We will do our best to be a good neighbor to all the communities around us.
